Show and Tell Topics - Term 3 2012

**Week 1 - Holiday News**
* Bring along some photos or souvenirs from your holiday.
* Be prepared to talk about some of your holiday highlights.

**Week 2 - Let's Chat**
* Using the sheet we gave you, talk to the class about your special family member.

**Week 3 - Origami**
* Do you know what origami is? Look on the Internet or borrow a book from the library. What can you make to show us? Maybe you can teach us all how to make it too.

**Week 4 - I'm a Junior Masterchef**
* Are you a good cook? Talk about something you’ve made in the kitchen. You may like to bring some photos of you cooking or even a mini taste test for our class judges!

**Week 5 - Who Am I?**
* Dress up as a character from a book. Write 5 clues about your character.

**Week 6 - My Favourite Story Book**
* Bring along your favourite fiction storybook (this isn't a week for facts books). Make sure you can tell us about the story. Maybe you can read a little bit to us.
* Be ready to read your clues confidently.

**Week 7 - All About My Dad**
* Tell us about your Dad. What does he like or dislike? What are his hobbies? Why is he special to you? You might like to bring along some photos showing your Dad doing fun things with you.
